Dear Sir,

**PROPOSED ERECTION OF 3 STOREY GENERAL INDUSTRIAL FACTORY WITH ANCILLARY OFFICE AND  
TEMPORARY ANCILLARY WORKER'S DORMITORY (TOTAL 21 WORKERS) ON LOT 04665A MK 07 AT TUAS  
SOUTH STREET 6 (TUAS PLANNING AREA)  
- Letter of Appreciation and Commendation**

We refer to the above project of our facility awarded to SANWAH CONSTRUCTION PTE LTD on 11 September 2013 as the design and Build Main Contractor with a contract sum of S\$ 3,948,971.00.

The project processes several challenging features:

1. *Provision of structural designs and provisions for future phase 2 works*
2. *Challenging site constraints and restriction for works in remote Tuas South area*
3. *Incorporations of owner's setting up of the premise prior to TOP*

With the rest of the appointed project team, the project was successfully managed and attained TOP on 28 November 2014 in good time and to the quality and standards as required.

The project was completed without any safety incidents.

We would like to thank you for your support and efforts in achieving successful completion of this work and certainly look forward to future project collaborations with your good company

Thank you

Yours faithfully

Teo Chin Seng
